

curriculum vitae

Name : HERU SUSANTO
Date of Birth : May 14, 1977
Office : 1. The Indonesia Institute of Sciences
2. University of Brunei

Office Address : 1. PUSPIPTEK Serpong Indonesia
2. Faculty of Business, Economic and Policy Studied, University of Brunei

Education : **BSc in Computer Sciences**
Bogor Agricultural University
Department of Computer Science – 1995 / 1999

MBA in Management
Indonesian Institute of Bussiness and Management
Departmen of Marketing Management – 2000 / 2002

MSc in Computer Sciences
King Saud University
Departmen of Information System – 2007 / 2009

PhD Candidate in Information Security
University of Brunei
Departmen of Information System – 2011 / Now

Working Experience : 1999 - Now
Researcher
The Indonesian Institute of Sciences
Information System & IT Governance Research Group

2007 - Now
Researcher
Prince Muqrin Chair for IT Security Technologies
Information Security Management System Research Group
King Saud University

2011 - Now
Univeristy of Brunei
Information System department

Training & Workshop : Short Course on “**Computer Network Server Administration in LINUX**”
Islamic University of Technology – Dhaka
November 2006

National Seminar on Open Source Software
Research Center for Informatics
Indonesian Institute of Sciences
August 2006

Workshop on Nonlinearity 2K6
Department of Physics
Bogor Agricultural university
June 7, 2006

R & D Management
Indonesian Institute of Sciences
August 29 – September 3, 2005

Change Perspective in HRD Management
Research Center for Chemistry
Indonesian Institute of Sciences
August 20, 2007

Organizing Committee : **Head of International Seminar
on Science and Technology & LIPI Award on Chemistry**
Research Center for Chemistry
Indonesian Institute of Sciences
January 2006

**Information and Publication Section of Nanotechnology
and Catalyst International Seminar**
Research Center for Chemistry
Indonesian Institute of Sciences
June 2007

**Vice Head of The Henk Timmerman International Seminar
on Pharmacochemistry**
Research Center for Chemistry
Indonesian Institute of Sciences
July 2007

Publication : **Computer Aided Simulation for Search Anticancer Drug Compound**
Abstract Publish at **Nanotechnology and Catalyst International Seminar**
Research Center for Science and Technology
Ministry of Research and Technology Republic of Indonesia
June 10, 2007

Open Addressing Database Algorithm

Publish at **Workshop on Nonlinearity 2K6**

Department of Physics

Bogor Agricultural university

June 7, 2006

Intranet using Open Source Programming Language

Publish at **National Seminar on Open Source Software**

Research Center for Informatics

Indonesian Institute of Sciences

August 8, 2006

-solution Modeling For IT Business Application Management and Business

Process Reengineering on Retail Sales

Publish at **IPROMS International Seminar**

Department of Computer Science

Cardiff University

July 19, 2009

The "Six Sigma Phenomenons" Change Little Things Affect in Huge Result

Synopsis of six sigma behavior and case study project

Publish at **IPROMS International Seminar**

Department of Computer Science

Cardiff University

July 19, 2009

Multimedia Information Security Architecture

IEEE Conference on Future Technology - Korea

2010

I-SolFramework Views on ISO 27001

Asian Transaction on Computer

2011

Information Security Management System Standard

Comparative Study of the Big Five

International Journal on Electric and Computer Science

2011

I-SolFramework: An Integrated Solution Framework Six Layers Assessment on

Multimedia Information Security Architecture Policy Compliance

International Journal on Electric and Computer Science

2011

Information Security Challenge and Breaches: Novelty Approach on
Measuring ISO 27001 Readiness Level

International Journal of Engineering and Technology

2012

Integrated Solution Modeling Software: A New Paradigm on Information Security Review and Assessment

International Journal of Science and Advanced Technology - ISSN 2221-8386
December 2011

A Novel Method on ISO 27001 Reviews: ISMS Compliance Readiness Level Measurement

Computer Science Journal
April 2012 - ISSN#: 2221-5905 3 (3)12012

Information Security Awareness Within Business Environment: An IT Review

PhD Colloquium, ASEAN University Network
5-6 June 2012

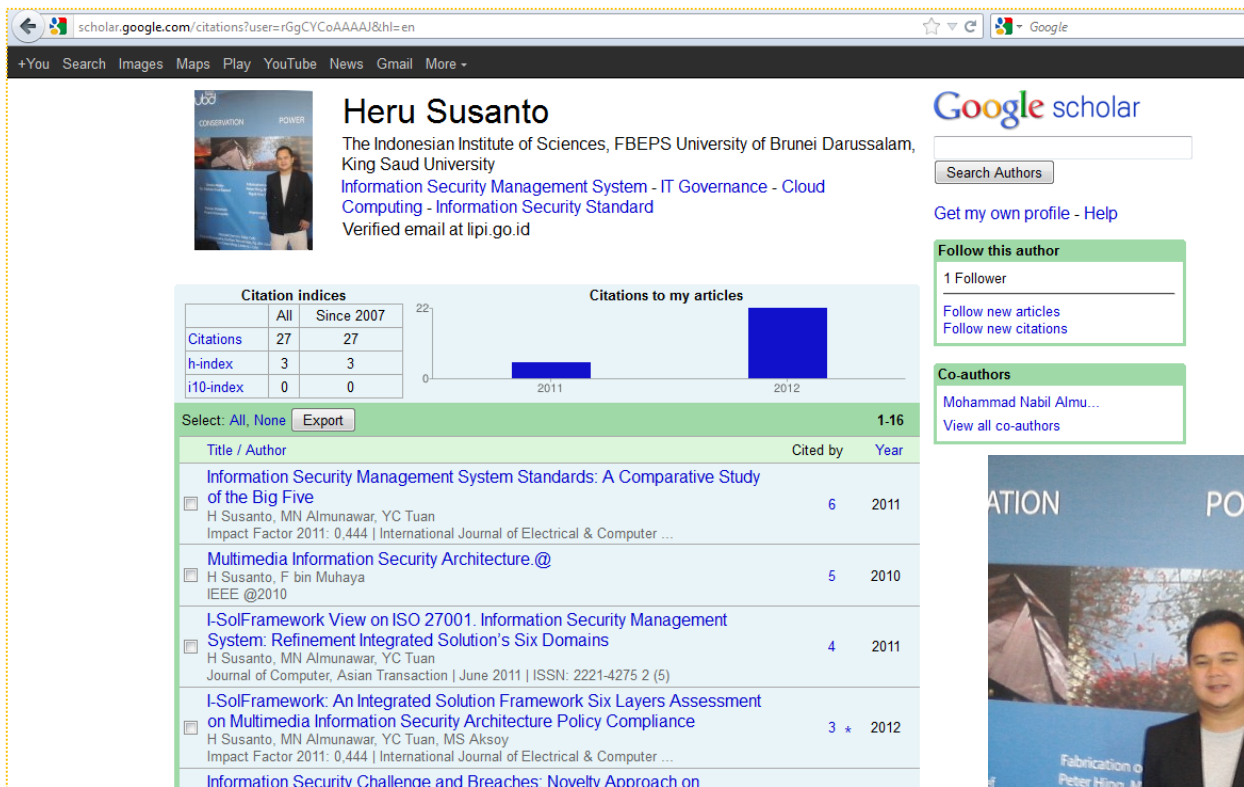

Refinement of Strategy and Technology Domains STOPE View on ISO 27001

International Conference Future Technology - Shanghai China
December 2010

A Simulation Approach Paradigm: An Optimization and Inventory Challenge Case Study

Computer Science Journal - April 2012 - ISSN#: 2221-5905 3 (3)
2012

The screenshot shows a Google Scholar profile for Heru Susanto. It includes a profile picture, a list of publications with citation counts and years, and a bar chart showing citations to his articles for 2011 and 2012. The citation indices table shows 27 citations, an h-index of 3, and an i10-index of 0. The list of publications includes titles like 'Information Security Management System Standards: A Comparative Study of the Big Five' and 'Multimedia Information Security Architecture'.

	All	Since 2007
Citations	27	27
h-index	3	3
i10-index	0	0

Year	Citations
2011	4
2012	22
