

MUHAMMAD SAAD MEMON

Add: House # C-515 Phase 1 Qasimabad,
Hyderabad, Sindh, Pakistan

Add: Room # 420, Dormitory III
Hanyang University ERICA campus,
Ansan, South Korea

Cell No: 0092 3332888606 (Pakistan)

Tel No.: 0082 314004506 (Korea)

E-mail: saad.memon@faculty.muett.edu.pk
msememon@live.com

OBJECTIVE:

Seeking a challenging position and management opportunity in a professional organization where my qualification, analytical approach, resource management, project planning and technical documentation are achieved to the fullest extent in a demanding environment.

PROFESSIONAL EXPERIENCE:

| Duration | Organization | Designation | Jobs Task |
|-----------|--|-----------------|--|
| Feb 2010- | Mehran University of Engg & Tech. Jamshoro | Lecturer BPS-18 | Teaching Various Subjects of Industrial Engineering and Management |

PROFESSIONAL QUALIFICATION:

| Year | Institution | Qualification |
|---------------|--|--|
| 2012 – Pursue | Hanyang University ERICA Campus | PhD in Industrial and Management Engineering |
| 2011- 2012 | Mehran University of Engineering and Technology, Jamshoro. | PGD in Industrial Engineering and Management |
| 2006 –2010 | Mehran University of Engineering and Technology, Jamshoro. | B.E Industrial Engineering and Management |

RESEARCH WORK/ Publications

➤ International Conferences

- “*The Importance of E-Integration in Supply Chain and its Effect on Performance*”, published in proceedings of International Conference on Industrial Engineering and Operations Management (IEOM), July 3-6 2012, Istanbul, Turkey.
- “*Literature Review on Product Safety in Supply Chain Management*”, published in online proceeding of 2012 Korean SCM fall conference, Nov 09 2012, Seoul, South Korea.

- “*Increasing Product Safety in Supply Chain through Traceability Optimization*”, published in online proceeding of 2013 IE/MS spring conference, May 24-25 2013, Yeosu-si, Jeollanam-do, South Korea.
- “*Analyzing Traceability Optimization for Enhancing Product Safety in Supply Chain*”, published in online proceeding of 2013 Korean SCM spring conference, June 04 2013, Seoul, South Korea.
- “*Traceability Optimization for Product Safety in Supply Chain Management*” published in proceedings of 8th International Congress on Logistics and SCM Systems (ICLS 2013), Aug 5-7 2013, Tokyo, Japan.
- “*Adaptivity of Complex Network Topologies for Designing Resilient Supply Chain Network*”, published in proceeding of 17th International conference on Industrial Engineering Theory, Applications and Practice, Oct 6-9 2013, Busan, South Korea.
- “*Traceability Optimization for Firm’s Shareholders Profit*”, published in online proceeding of 2013 Korean SCM spring conference, Nov 22 2013, Seoul, South Korea.

CERTIFICATION:

- **Certificate of Unigraphics NX (CAD)**, from Mehran University of Engineering and Technology.
- **Certificate of Ms Project** from Institute of Industrial Engineers (IIE), Mehran University Chapter, Jamshoro – Pakistan.

PROFESSIONAL AFFILIATIONS:

- Institute of Industrial Engineers (IIE), USA
- American Society of Mechanical Engineers (ASME), USA
- Pakistan Engineering Council (PEC# INDUS/1221)

LANGUAGES:

Well Interpersonal Communication Skills in English, Urdu and Sindhi.
