Projects Undertaken

Title	Immigration Consultancy
Organization	SAARC Consultants, Mohali
Synopsis	This software is user friendly. This provides all the information related to people who are immigrated to abroad through SAARC. This also provides the information about the employees who are working there.
Environment	VB.NET, MS Access, WIN XP
Team Size	4 Members
Role	Involved in designing and coding of the Forms of the module
Title	Admission Registration System
Synopsis	This software provides all the facilities that are required during Registration process. This provides all the information related to interested Students and registered students. This software also provides facilities for generating reports for different purposes.
Environment	VB.NET, MS Access, WIN XP
Team size	3 Members
Role	Involved in designing and coding of forms and Database Design

Date of Birth: 15th Jan 1985**Languages Known:** Hindi, English and Punjabi**References:** Available on Request
