

## **CURRICULUM VITA**

**Name:** Dr. Hamid Ghaffoori Hasan.

**Scientific title:** Professor.

**Date of birth:** 29<sup>th</sup>. Mar. 1946 (Basrah – IRAQ).

Nationality: Iraqi.

**Marital Status:** Married.

**Home address:** Baghdad, Al-Mansour Distric, 55-41

**Employee address:** Baghdad university, Ibn AL-Haitham college of Pure Scieces.

**Email:** [gaforiiq@yahoo.co.uk](mailto:gaforiiq@yahoo.co.uk)

**Cell phone:** 00964 7701510101

**Qualifications:** - BSc degree in chemistry , Basrah University, college of Science (1970).

- MSc degree in clinical chemistry, Baghdad university, college of science (1980).
- PhD degree in RIA techniques, Walse university, School of biological Science, UK (1990).
- Certificate awarded from the **ROYAL COLLEGE of SURGEON (LONDON)** for training course (1989).

**History of Employment:**

- 1970 – 1993 Basrah university, college of Science.
- 1993 – 1998 Tikrit university , college of Education.
- 1998 – 2004 Sulaimani University, college of Medicine.
- 1998 – 2009 Sulaimani university, college of Science.
- 2000 – 2011 Hawler medical University, college of medicine.
- Recently Baghdad University.

**Occupations & Positions:**

- Head of the chemistry department (1993 – 1998).
- Head of the Promotion commity (1994 – 1998).
- Leader of the chemical scientific researchs (1995 – 1998).
- Scientific consultant, Medicinal Plant center at the Ministry of Agriculture – IRAQ (2007 till now).
- Leader of the drugs synthesis (1996 -1998).

**Field of Interest:** the following Fields :

- Clinical diagnosis.
- Manufacturing of Hormones Kits for radioimmunoassay techniques.
- Synthesis of AIDS Anti – HIV activity viral.
- Enzymes activity Biotechnology.
- Enzymology.
- Protein Purification
- Natural product determination.
- Hormones Purification.
- Medicinal Plant Extracts.

**Teaching Experiences:**

- Protein Architecture.
- Gene and Genome Complexity.
- Enzymology and Clinical Enzymology.
- Metabolism and Metabolic Rates.
- Tumor Markers.
- Clinical Chemistry.

**Scientific Publications:**

- (42) papers were published in International and national journals.
- Supervising (4) Higher diploma desertation.
- Supervising (15) MSc. Thesis.
- Supervising (13) PhD thesis..

**Societies membership:**

- Royal Chemical society ( UK ).
- Kurdistan Chemical Society .
- Iraqi Chemical Society.
- American Society of Biochemistry.

**Scientific conferences:**

Certificates and appreciation certificates were awarded from the following conferences:

- (10) National Conferences.
- ( 8) Internationaal conferences.
